

Marin Chapter California Grand Jurors' Association

February Newsletter

The months roll by so quickly and we are now ramping up into the recruiting activity for the 2022 -2023 Jury. Just yesterday we placed our first ad in the IJ asking people who are interested to get in touch with us through the web site or newly established webinars that we will give during the next couple of months. In addition, a meeting will be hosted on the Civic Center patio on March 22. I implore you to crank up your own efforts to contact friends and family to consider service in the Jury that you know so well.

The Grand Jurors' Association

is an all volunteer, non-profit 501(c)(3) organization comprised of former Marin County civil grand jurors. Our mission is to promote and enhance the unique and invaluable Civil Grand Jury function in Marin County.

We launched a new effort in recruiting by getting a permit to set up a mini-booth at the Sunday Farmer's Market at the Civic Center. We've done two sessions so far and the outcome is encouraging in the number of people expressing interest. It's too early to expect the applications but I am hopeful. If a couple of you are interested in this type of activity, there are other Markets in the county, get in touch with me and let's see what we can do. Tom Borden and I met with Judge Chou and had a productive hour-long session primarily about the selection process. The Judge is a strong supporter of our efforts.

Upcoming events for me include a meeting with the Assistant County Administrator and the new equity officer, Jamillah Jordan, to discuss the diversity of the Jury. In addition, I will join a Zoom call on March 15th with the President of CGJA, our umbrella organization, and the Presidents of other state chapters, to discuss mutual issues. If you have an issue that you would like addressed let me know and I'll see what I can do.

In the meantime, please pitch in on the Outreach effort for the new Jury.
